Visitor should contact me if you got error when grabbing She Would Be King ebook, member must SMS me for more information.

A novel of exhilarating range, magical realism, and history—a dazzling retelling of Liberia’s formation.

Wayetu Moore’s powerful debut novel, *She Would Be King*, reimagines the dramatic story of Liberia’s early years through three unforgettable characters who share an uncommon bond. Gbessa, exiled from the West African village of Lai, is starved, bitten by a viper, and left for dead, but still she survives. June Dey, raised on a plantation in Virginia, hides his unusual strength until a confrontation with the overseer forces him to flee. Norman Aragon, the child of a white British colonizer and a Maroon slave from Jamaica, can fade from sight when the earth calls him. When the three meet in the settlement of Monrovia, their gifts help them salvage the tense relationship between the African American settlers and the indigenous tribes, as a new nation forms around them.

Moore’s intermingling of history and magical realism finds voice not just in these three characters but also in the fleeting spirit of the wind, who embodies an ancient wisdom. “If she was not a woman,” the wind says of Gbessa, “she would be king.” In this vibrant story of the African diaspora, Moore, a talented storyteller and a daring writer, illuminates with radiant and exacting prose the tumultuous roots of a country inextricably bound to the United States. *She Would Be King* is a novel of profound depth set against a vast canvas and a transcendent debut from a major new author.

She Would Be King | Graywolf Press Wayetu Moore’s powerful debut novel, *She Would Be King*, reimagines the dramatic story of Liberia’s early years through three unforgettable characters who share an uncommon bond.
